Hello!

My name is Lucy Khafweli Kabakhana and I am 14 years old.

My past has limited me financially due to my father being elderly and out of work. This has caused me a great deal of anxiety when it comes to how I will be able to afford the education that I desire. Seeing as how it has been hard for my family to send me to secondary school here at Living Hope High School, I pray to God that I will be able to receive a sponsorship.

As a Christian, I am very excited for this wonderful opportunity to be surrounded by so many like-minded and God-fearing students and staff. I am hoping to continue in my studies and strengthen my Kiswahil and Science knowledge. I am an experienced poet who was once able to rank high in the national levels. May God continue to provide favor and allow me to use my gift for his purpose.

Some of my favorite activities to participate in other than my school work, are legball and playing basketball. I am so glad that I have a place to explore those hobbies here at Living Hope.

My continued prayer is that I am not only able to get a sponsorship for my education, but also that I will remain a faithful and clear minded child of God. Blessings.
