

BRIAN KILWAKE

My name is Brian Kilwake. I was born on 5 June 2007. My family was very poor. My father died when I was six years old. This left my mother with five children and no husband. Luckily, we had half an acre of land and my mum was a good farmer. The family was always poor and there was never enough of anything. Seeing my mum's struggles pained my heart. She missed her husband and we missed a father. I tried to cry for help from my relatives but no one could help us. Only my uncle was willing to help the family. The best moment of my life was when my mum told me that my uncle was going to support my education. I thanked God for sending my uncle.

In primary school, I had many challenges. My relatives never liked my mum and chased us away. I went to three different primary schools. It was hard to make new friends and continue my learning. I completed my class eight and took my KCPE national exams in 2020. I did well and got 351 marks. It was a miracle.

I was very worried about how to get fees to pay for my high school. God provided the answer. My mum heard about LIVING HOPE HIGH SCHOOL and we decided to apply and take a chance. At the interview, I was nervous and praying to God for help. They wanted to see if I had good English. When I got my acceptance letter, I was jumping up and down with happiness. God had answered my prayers. Last Tuesday I came for orientation. The environment was good, they gave me many things. We sang and prayed and I knew God was with us. I will be very happy here because I know that the school is behind me and is expecting the best from me.

My mum's situation is not good. I want to be successful and go to college and be a pilot. I need to get a good job to help my mum and family live a better life.

I am asking for your support and to be my sponsor. My success will depend on GOD, my hard work, and your support. I am looking forward to getting to know you and becoming friends.

SINCERELY,

Brian Kilwake.
