

## Lensin Khamala

My name is Lensin Khamala. My birthday is December 11<sup>th</sup> 2006. I will be turning 16<sup>th</sup> in December. My mother's name is Pauline Marani and my father's name is Abraham Siundu. My parents really struggled to take me to School. I live in Lutungu In Bungoma County. I go to Friends' Church.

When I was young, I got an accident after I had been sent to buy vegetables by my Mom. My hands were severely injured and thought I would not be healed up but by the grace of God I was completely well after treatment. Thank goodness.

My best subject is Kiswahili because it's one of the official languages spoken here in Kenya. I used to pass Kiswahili without even revising. However, I used to be sent out of School so often to look for School fees. My parents could not afford to pay for me because they did not have any source of income. I was learning on sympathy from my teachers.

When I grow up, I want to be a Pilot and fly airplanes. I know I will need to score very highly so that I get a chance to this job. Hard work is needed to be one and studying, God bless you.

Yours Sincerely

Lensin Khamala
