

Precious Gift

My name is Precious Gift Baraka. My birthday is November 17th 2003. My mother's name is Linet Naliaka and my father's name is

Muchwenge Simiyu. I only stay with my mother. I am position 3 in the family of 10.

I went to Coronation Academy. I worked very hard and performed very well. I enjoyed reading subjects like Social Studies, English, Mathematics and Science. During my free time I like reading storybooks. Most of time I do sing. In addition, I love playing netball. I played up to the County Levels and

we emerged winners every time we could compete.

I am very delighted to have been given this chance at Living Hope High School. It is a place of family. The learning condition is very conducive. Teachers come to school punctual and leave when all the lessons have been attended to. We have a nice place to stay and everyone is nice.

I want to be a Lawyer when I grow up and graduate to help people in solving their cases and the country at large.

Yours sincerely

Precious Gift Baraka
