

Vivian Barasa.

My name is Vivian Barasa. I was born in November 15th 2007. I am the second born in our family. I have two brothers and two sisters. My father's name is Charles Barasa while my mother is called Patista Barasa. My mother does laundry service. I have never celebrated one of my birthdays. I am glad to get to know that here at Living hope they celebrate every time. We have got a great neighbor who supports us with food and they allowed us to play with their kids. Such people are rare to find.

My siblings and I used to put on torn clothes, every time we play together with Neighbor's kids, I felt really ashamed of myself. Thank goodness they have never laughed at us contrary to what I was thinking they would do.

I have wonderful parents, despite the fact that we did not have much with many challenges on our doorstep, they have never ceased to tell us to pray to God and work hard. They know through God and hard work, the situation will change and we would smile again.

My hobby is leadership. I like being a leader and I am a Sunday school teacher in our church. I like singing with children and teaching them with bible verses. Similarly, my best subjects are Math and Biology. I am looking forward to be a nurse in future.

I am very happy to be here at Living Hope because it's a Christian school where they worship freely and students are very few and so the teachers can attend to each one of us very well.

Whoever will read this story, I do hope that you will be touched and become my sponsor. God bless you
