## June/ July Newsletter 2019

U.S. Coord.- Helen Markwell-304-567-2254  
Team Coord./Newsletter, Sandy Binotto-304-839-1505

### Marilyn Uhl Arrived Safely to the States from Bungoma Kenya

Marilyn arrived safely to the states to attend the WV United Methodist Annual Conference. She and her sister, Helen, are also busy sharing in many places in West Virginia about Living Hope. The Kenyan Breakfast was a great hit. It was a time to have a reunion with past team members and sponsors and to inform new interested people about Living Hope High School. Many stopped by the Living Hope Display and several signed up to sponsor Form 1 Students.

## We Need Your Help!

It is crunch time!!! We still have 4 Form One's that are without sponsors. This is costing the school \$500 a month. If you are interested or know of someone who is (maybe a youth group, choir, UMW, or bible study group), please call Helen Markwell (US Coordinator of Living Hope). 304-567-2254

These 4 students (2 girls, 2 boys) are well deserving of your sponsorship. They are bright, they are praying, and part of the best class yet we, Living Hope, have had. Let's do what Jesus asked us to do in Mathew 25:35-37. "For I was hungry and you gave me food. I was thirsty and you gave me drink. I was a stranger and you welcomed me. I was naked and you clothed me. I was sick and you visited me. I was in prison and you came to me. Verse 40 says, "And the King will answer them. Truly I say to you as you did it to one of the least of these my brethren, you did it to me."

# A New Roof

While Marilyn is in the US, her small home is getting a new roof. The roof wasn't leaking, yet, but during the last windstorm it was thought that it might. It was a horrific storm. The roof was flapping and it was squeaking. The boys were asked to go up and to hammer down the roof. They found there wasn't anything to hammer the roof down to. The trusses were all rotted.

So all the supplies were bought that were needed. They ripped the roof off, and went straight to work.

6:00 am- The boys started building the trusses and put them up

12pm- The boys started putting the tin roof on.

3pm -The last nail was being hammered in

3:05pm it started raining.

God obviously was in control here. Thanks to him the sky didn't open up beforehand.

*Matthew 5:45 That you may be children of your Father in heaven. He causes his sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous.*

*The Lord continues to bless Living Hope beyond our wildest imaginations!!*

Mission to Living Hope School
